

LEAVING YOUR LEGACY

Vision

WCCF exists to help residents and friends of Warren County find ways to fulfill their dreams of making our immediate world a better place today and tomorrow.

Just as we enjoy the heritage created by those who went before us, each of us has the ability to create and build endowments.

You can help shape the future of Warren County with a financial gift from current assets or part of an estate plan. Please share your vision with WCCF so that your dreams for a better community become a reality.
