### **JANUARY PART 1**

*Visit our  
website!*

Hello Foundation Friends,

In some ways it feels like 2026 just began, but as I was walking my dog at lunch one day this week and thinking about the new year, I realized we are already 1/24th of the way through 2026 in the blink of an eye.

We have spent the the first 2 weeks of the new year focusing on our processes and procedures. We have a lot going on in 2026, so thinking through how we are going to accomplish everything in the most efficient way has been good for the whole staff. In the next month, the Foundation will adopt our new strategic plan which will guide us from 2026 through the end of 2028. This document serves as a road map with strategies and metrics along with ways to help us make sure we are following our mission and vision while being good community partners and stewards to our donors.

If you know a high school senior, current college student, or non-traditional students please help remind them that the scholarship application is due tomorrow January 18th at 11:59 pm. The next couple of weeks will be busy ones with getting all of the scholarship master applications digitally copied for the 47 different scholarships that are on our online platform. Many of these are Foundation scholarships, but several aren't. We are happy to offer this online application platform that helps streamline the process for both the applicants as well as the review committees.

Don't forget, we have a 2:1 match for unrestricted gifts thanks to Lilly GIFT IX. This means if you donate \$10, Lilly will donate \$20, if you donate \$100, Lilly will donate \$200, if you donate \$1,000, Lilly will donate \$2,000!

Sincerely,

Michele Stucky

## Free screenings for uninsured and under insured women in Warren County

We work every day to eliminate inequities in healthcare when it comes to access to vital early detection screenings. To do this, we promote early screening for breast and cervical cancers among uninsured, under-insured and minority women. Through our funding partners, we facilitate no-cost services to qualified women across Indiana.
