FOUNDATION NEWSLETTER SEPTEMBER PART 1

Hello Foundation Friends,

I hope you are seeing this tonight (Friday) or early Saturday morning while Biscuits and Gravy is still possible for you! I know that I will be getting some around 7am at the Senior Center It is \$8.00 for the biscuits and gravy as a fundraiser for the Senior Center. The fundraiser goes from 6am-10am, next to the 4-H foods building, at the Senior Center. Please consider supporting this fundraiser.

It is a big day on Saturday for Warren County though with other events going on as well. The Williamsport town wide garage sales are tomorrow, as well at the Williamsport Car show and fish fry. The car show is from 11-4 and the All you can eat Fish Fry is from noon until 5pm. There are vendors that will be set up at the fairgrounds from 10-5.

Also happening tomorrow is a Potawatomi Trail of Death presentation at Old Town Park at 1:00 which is one of the spots in Warren County where the Trail of Death took place. George Godfrey who is the president of the Potawatomi Trail of Death Association, and a Potawatomi Indian himself will deliver the information. In the last newsletter, I told you that I would be going to the Indiana Philanthropy Alliance Foundation CEO retreat. It was great to spend 2.5 days with directors from around the state. I got to hear about so many amazing projects, and some of the innovative things that other Foundation are doing in their communities. I assure you that I was listening through the ears of trying to figure what I could bring back to Warren County and which ideas would work or be beneficial here. I will spend time over the next couple of months thinking about how I can apply what I learned. I love learning and growing in the role as your director. I thank you all for your support that has helped us grow and be able to take on bigger and bigger projects. I also told you that I was asked to present about the Coffee Shop, and I am happy to report that it went very well!!

Sincerely,

Michele Stucky
