JULY 2023 - PART 2

*Visit our
website!*

Hello Foundation Friends,

We have reached the end of another month as everyone prepares for school to start back. Hard to believe that summer break only has about a week and a half remaining. Tomorrow is our big summer event. The summer interns have worked hard to organize the event and we have over 25 vendors signed up to participate. I know the weather will be hot but please plan to stop by even if just for a few minutes to support our local artists, vendors, and businesses. The 4-H council is making the same delicious lemon shake-ups they had at the fair. One of those would definitely taste great on a hot day!

Hope to see you tomorrow!

Michele Stucky

MAGIC SHOW - SUCCESS!

Magic Man Rusty came to the outdoor amphitheater on July 14th as part of our 25th anniversary celebration. Despite hot weather, many people came to see a fun show!

STREET FAIR IS TOMORROW!

As mentioned above, it is our annual street fair tomorrow. It should be a fun afternoon of supporting local vendors. There will be a dunk tank to raise money for the pool, so that will be fun. Please come out and take a lap down Monroe Street sometime between 2-6 tomorrow! Take a look at all the vendors who will be present!

TWO MORE VOLUNTEER OPPORTUNITIES

We are adding more plywood cut out figures to the Christmas in the Park Light display. You can come and help paint them! They will be set up during the street fair from 2-6 on Saturday July 29th and again on Monday July 31st from 8:00am-noon. Fun for the whole family and this winter you will be able to see the figures you helped paint on display! Paint and brushes are provided.
