SEPTEMBER 2023 - PART 1

Visit our
website!

Hello Foundation Friends,

As we approach Fall, the Foundation has been busy with many projects. We are in the midst of finishing some of our Lilly Endowment GIFT VII projects. We have been partnering with local organizations to help them fulfill their mission. We are working with the My Community My Vision student group to finish Warren County Common Grounds Coffee Co. We are excited to announce a 1:1 match for the creation of new Family Legacy Funds or donations to existing Family Legacy Funds in celebration of our 25th Anniversary! If you would like to know more about this matching opportunity call 765-764-1501 or email michele@warrencountyfoundation.com

Michele Stucky

THANK YOU POTTS-HOUMES FAMILY!

We owe a big shout out and thank you to Stephanie Potts-Houmes and her family for sprucing up the area around the outdoor music instruments at Fleming Woods County Park. They worked really hard to pull all the weeds in the area then carry bagged mulch all the way down the trail to the location. You can see the huge difference in the before and after pictures above. Thanks so much!

COMMON GROUNDS COFFEE COMPANY FEATURE ARTICLE

We are proud to let everyone know that our group was featured in an article about the My Community My Vision program in the IHCD Summer Magazine. They have appreciated all the hard work of the many community volunteers who have gotten the project to this point. We are still working hard and need more help! If you have any construction skills, painting, drywalling, door installation, etc we could really use your help.

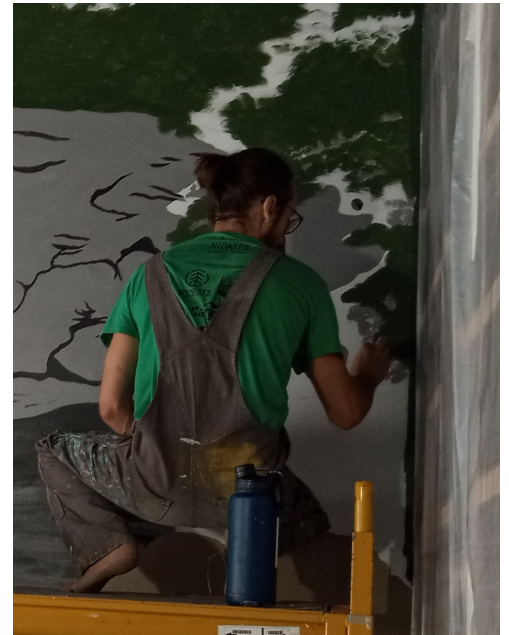

If interested in helping, please reach out to Michele Stucky at michele@warrencountyfoundation.com.

SNEAK PEAK

We don't want to give too much away, but Zac Cody has been busy working on a mural inside the coffee shop. It is going to be great advertisement for Warren County Common Grounds Coffee Co. and will highlight one of the gems of Warren County. This project is being made possible through a grant from the IDDC (Indiana Destination Development Corporation) as part of their IN Indiana program. We think this is going to become one of the most Instagrammed spots in our county! Fill You Cup IN Indiana.
