

WAYS TO GIVE

Warren County Community Foundation

Life Insurance

This can be used to fund a gift at a relatively low cost to you. You can gift a new policy or turn over an existing policy and name the Warren County Community Foundation as owner/beneficiary. By assigning ownership to the Foundation, you receive an immediate income tax charitable deduction in the amount of the policy's present value. Additional premiums gifted to the Foundation are tax deductible, and proceeds pass to the Foundation free of estate tax.
