Hello Foundation Friends,

Spring is here...or is it? Last week there were a couple of 70 degree days and next week will have at least one day below freezing. Indiana weather at its finest! The Foundation staff have been working hard on a variety of projects including the Wabash River Blueway, preparing for scholarship committee meetings, event planning for the year, finishing up the 2025 Year in Review, getting fund statements to fund owners, and diving into our new strategic plan. I will be away on Spring Break for a week to rejuvenate and prepare for the next three-month stretch. I am excited for what the next quarter will bring.

The Women's Legacy Builders Fund hosted its annual Purse Bingo event last week and it was a HUGE success. The committee works very hard to get donations of raffle items, purse sponsorship, and other donations to offset expenses. The attendees get to hear three groups talk about what they are doing in the community and then the attendees vote. This year the 4-H Fair Board is receiving \$1590 towards handrails in the coliseum, \$795 to the Summer Reading program for the Williamsport Washington Township Public Library, and \$795 to Bundles of Blessings diaper pantry to put towards diapers. It was a record-breaking year for number of attendees at the event and money raised. See a photo of the committee below. A giant thank you from me to the committee for all of their hard work! Don't forget, we have a 2:1 match for unrestricted gifts thanks to Lilly GIFT IX. This means if you donate \$10, Lilly will donate \$20, if you donate \$100, Lilly will donate \$200, if you donate \$1,000, Lilly will donate \$2,000!

Sincerely,  
Michele Stucky
