

Park and Anna Jean Hunter Scholarship

Park and Anna Jean Hunter loved Warren County – the people, the community, and the farm life. They were proud to work the ground, raise their family, enjoy their neighbors, and support community activities and events, all in Warren County. They wanted to recognize this deep commitment with a lasting legacy. Recognizing a strong interest and belief in youth, they chose to fund a scholarship which would encourage and support the educational goals of the recipients throughout their undergraduate years.

The Hunter Scholarship was established to reward academic achievement, but recipients who are chosen must demonstrate a well-rounded life through community and philanthropic endeavors as well as school activities. Applicants must also have lived in Warren County for at least 4 years prior to the application period. To receive continued assistance throughout their education, students must maintain a 2.8 GPA and remain in good standing with their school.
