

*“Cancer treatment is a burden on the body both physically and emotionally, and can also impact a family’s finances. I am hopeful that people will recognize the need for a local cancer fund and will support this fund through gifts and memorials. Nancy Mikels and Margaret Swank both battled cancer at different times in their lives, but their legacy will continue through this fund by helping community members struggling with cancer,”* said Tasha Swank, daughter of Nancy Mikels.

A Mother’s Love; Cancer Support Fund was created in loving memory and celebration of the lives of Nancy Mikels and Margaret Swank so that the good works of these ladies can continue to help others. Created by the Scott and Tasha Swank family, this fund provides support to families in Warren County and Attica with loved ones who have been diagnosed with cancer and are currently undergoing treatment. Donations and memorials are currently being accepted to grow the fund in order to benefit newly diagnosed friends and neighbors as they battle the disease. It is the intention of the Angel of Hope Committee to provide a “Hope Tote” of useful items and resources to those diagnosed. These items include: gas cards, inspirational reading, food cards, personal products, herbal teas, a soft blanket, and other useful items.
